

MITACS ACCELERATE

BUILD RESEARCH PARTNERSHIPS

Mitacs Accelerate supports collaborative research between faculty at academic institutions, a non-academic partner, and a research intern. You get flexible funding for new collaborations, experiential training for your researchers, and a grant starting at \$15,000.

WHO IS ELIGIBLE?

- Professors at academic institutions, including universities, colleges, and polytechnics
- All academic disciplines and sectors
- Students at colleges and polytechnics, and graduate students and postdoctoral fellows at universities (Canadians, permanent residents, or international students)
- Businesses in Canada and eligible not-for-profit organizations in Canada

RESEARCH FUNDING THAT'S FLEXIBLE AND FAST

- Applications accepted anytime
- 6–8 week evaluation
- Projects can be as long as you need (minimum of 4 months)
- Projects can include multiple interns, academic institutions, and partner organizations
- Mitacs matches partner contributions with federal and provincial funding to support projects of any size
