

**Undergraduate Research Days  
August 11 and 12, 2021**

**CALL FOR ABSTRACTS**

The Faculty of Graduate Studies and Office of Research Services invite all undergraduate students to submit an abstract for a presentation to the Undergraduate Research Days. This is *the* event to showcase your research and the various programs at UPEI. On this day we invite your peers, supervisors, staff, faculty, and those from “outside” our labs and departments in the community to see the research you are accomplishing and to celebrate your innovation and hard work. All research undergraduate students at UPEI are encouraged to present. Presenting your work is a useful practice for you and can be listed as one of your academic accomplishments on your CV.

The scope of the 2 days will include all undergraduate research at UPEI. There will be online presentation sessions. We will also have invited keynote speakers and awards for Best Presentations. Please set aside as much of the two-day event as possible in your schedule so that you can also take in the many excellent presentations of your colleagues.

Deadline: Submit your abstracts by Friday, July 30<sup>th</sup> at 12 noon to [cgallant@upei.ca](mailto:cgallant@upei.ca)

**Details on Submissions**

The plan is for all presentations to be oral and online.

Please ensure that you use the following format instructions when preparing your abstract:

Word document

Arial font, (12)

1" margins

Title of abstract (in bold and should be no longer than 100 characters, including spaces)

Names and affiliation of authors, with presenting author first (your name underlined)

Text of abstract (maximum 200 words)

Please have your supervisor check your title and the list of authors.

Abstracts: Abstracts summarizing your presentation, which may include the methods, results, analysis, and conclusions, are invited. Again have your co-authors review (and approve their involvement as co-authors) prior to submission, remember maximum 200 words.

PowerPoint presentations will be 10 minutes plus 5 minutes for questions.

If you have any questions, please email Colleen Gallant ([cgallant@upei.ca](mailto:cgallant@upei.ca)) or Leslie Cudmore ([lcudmore@upei.ca](mailto:lcudmore@upei.ca)).

We hope to see you participating in our Undergraduate Research Days this year!
