

Internal SoTL Research Grant (ISRG) Program Guidelines - 2023

PURPOSE:

The Internal SoTL Research Grant (ISRG) program supports research pursuits in the scholarship of Teaching and Learning (SoTL) through the funding of fully developed research proposals. Researchers are encouraged to provide high-quality student training opportunities and to propose collaborations with others from different, but complementary, disciplines.

VALUE: up to \$1,500 for a two-year term, ISRG proposals for lesser amounts will be considered favourably.

APPLICATION DEADLINE & COMPETITION RESULTS:

Deadline: December 13, 2022 by 4pm.

Notification: January 2023

ELIGIBLE APPLICANTS:

Tenured, Tenure Track, Term and Sessional UPEI Faculty in Arts, AVC, Business, Education, Nursing, Science, or Sustainable Design Engineering, Librarians, and Lab Instructors who are employed by UPEI at the time of application and for the duration of the award. A professor emeritus or adjunct professor may apply as co-applicant with a tenure/tenure-track UPEI faculty member. Successful applicants must adhere to the [Spending Authority Policy](#). Please review general information below for other eligibility considerations.

GENERAL INFORMATION:

- Grants support the direct costs of research e.g., research assistance, operating expenses, research travel/subsistence, manuscript preparation, materials and supplies, etc. Ineligible expenses include consultation fees paid to other faculty members, subcontracting of research, purchase of books, retro-active research expenses, and grant over-expenditures. Grants may NOT be used to travel for the purpose of attending a conference for dissemination of results.
- Applicants may hold only one internal research grant at a time. Grants are awarded for a 'stand-alone' project; thus, if the proposed project is linked to past and current research projects, applicants are required to briefly describe how the proposed research project differs from those projects and how it is linked to an overall research program (200 words).
- Successful applicants will be required to share their findings at a conference focused on teaching and learning, such as the UPEI Teaching Community Conference, or the AAU Teaching Showcase.
- Applicants who receive ISRG in the 2022 competition will not be eligible to apply for an ISRG in the 2023 competition, in order to distribute funds to a greater number of applicants.

For further information, please consult the Eligible Expenses sections of [the 'UPEI Internal Funding – General Regulations'](#) document.
